## Application for Membership

### **TO ALL APPLICANTS**

Thank you for submitting an application for membership with the Pinedale Volunteer Fire Department. If you succeed in becoming a member of our organization, we hope that we will meet all of your expectations.

Here are a few items that you need to ***completely understand before you fill out this application:***

1. Make sure you fill out all sections of the application that apply to you so that we won't have to return it for completion, thus delaying it.
2. Once you complete your application and submit it, please be prepared to wait up to several weeks before the Membership Committee renders a decision. We may call you in for one or more interviews during this time. Also, be aware that we consider applications for membership *serious business* because we realize that the quality of our organization is largely determined by the quality of our members. After the Membership Committee makes its decision, I will notify you of the outcome.
3. ***Very important*** - You are not allowed to respond to any fire department calls until you have been approved for membership and have been through the required training. *Please don't jeopardize your desire to be a part of the Pinedale Fire Department by ignoring this extremely important requirement.* However, you are still welcome to attend all of our training sessions, meetings and other non-emergency activities while your application is being processed, and I strongly encourage you to do so.

Once again, thank you for applying with us.
